MOTION TO WITHDRAW AS COUNSEL

In accordance with Local Rule 83.2, Joseph A. Fischer, III, Amy L. Baird, and Richard A. Howell of Jackson Walker L.L.P., move the Court to allow them to withdraw as counsel of record for Defendant Symmetry Energy Solutions, LLC (“Symmetry”). There is good cause for the Court to grant undersigned counsel’s motion because Symmetry will continue to be represented by its current counsel, Patrick N. Fanning of the law firm of PEAK Litigation LLP. Additionally, Margaret Tough, Katherine Sawyer, and Nathan Saper of Latham & Watkins LLP will submit their petitions for admission *pro hac vice* as additional counsel of record for Symmetry. Accordingly, Joseph A. Fischer, III, Amy L. Baird, and Richard A. Howell of Jackson Walker L.L.P. ask to be withdrawn and relieved from further responsibility in this case.

SIGNED and DATED this 9th day of July, 2021.

Respectfully submitted,
